Nuts NEWS

HOLDING THE LINE, EVERY WEEK!

Craziest World Cup ever!

The 18 loopyest moments from South Africa so far!

FABIO'S JOY!

FABIO CAPELLO LOSES IT!

A normally reserved Capello goes loopy with glee at the end of the England vs Slovenia match and proves that although he's Italian, he's not that different to England fans after all.

ANELKA'S OUTBURST!

After receiving half-time advice from his manager, Nicolas Anelka, who has never scored for France in a World Cup, replied: "Go f**k yourself, you dirty son of a wh*re." No wonder he got sent home!

SWITZERLAND DO SPAIN 1-0

We anticipated a Spanish victory. What we got instead was the chance to laugh at Del Bosque's men as a team of chocolatiers and bankers* beat them 1-0.

MOTD'S LANGUAGE BARRIER

One of the tournament's great delights has been watching Alan Shearer trying to keep up with Emmanuel Adebayor's breakneck babbling punditry. Mind you, he probably doesn't understand Alan either.

MARADONA'S SICK TOUCH!

He might look like an extra from a remake of *Waiting For (The Hand Of) God* but the mad manager still has a better touch than Heskey.

REFS VS THE USA

The Yanks have had not one but two clearly legit goals against Slovenia and Algeria chalked off. Does the world really hate them?

NEW ZEALAND'S SHOCKS

First they bag a 93rd minute equaliser against Slovakia, then hold World Champions Italy to a 1-1 draw and finish above them! Bonzer! Oh, that's Australian...

GO KIWIS!

SEXY MOB!

BEAUTIFUL BEER BABES!

We welcome the sight of 32 hot Dutch lasses in matching beer-promoting Holland strips. Sadly, ITV didn't, on account of their berkish pundit Robbie Earle giving them his free tickets!

SLOVAKIA SEND ITALY HOME!

Coming into this game, Slovakia were bottom of their group. After their victory over Italy, Lippi and co were airport-bound.

*THIS ISN'T NECESSARILY TRUE

JOHN TERRY'S DIVING HEADER FAIL!

England's former skipper tries to clear a shot with his face, before getting turf in his teeth. Not the first time he's gone down in the box, we'd imagine.

TERRY FLIES!

ROONEY FLIPS OUT!

"Nice to see your own fans booing you," snarled Wazza at an ITV camera, frighteningly. Anyone bold enough to point out to him that you hear boos, you don't see them? No? Thought not!

DENMARK'S OWN GOAL!

Who do you credit it to? Defender Simon Poulsen heads it onto Daniel Agger's back and it goes in? Well, we don't know, but it was hilarious either way!

NORTH KOREA

Their "fans" are soldiers and the manager is in regular contact with Kim Jong-il for tactical advice during games. Maybe that's where Steve McClaren went wrong.

KOREAN FELLA BLUBS!

Sometimes it all gets too much for a World Cup first-timer, which is why striker Jong Tae-se blubbed like a girl during his North Korea's national anthem. Would oo like an ickle tissue?

CRY BABY!

GOALMOUTH PIGEON

Sadly, the only thing to get close to Algeria's goal in England's dismal 0-0 draw was a pigeon!

RONALDO'S FLUKEY GOAL!

The preening winker hadn't scored for his team since February 2009, then puts away the flukiest goal in living memory, as the ball bounces off the back of his neck to fall sweetly for a volley. Jammy git!

THIERRY HENRY'S APOLOGY TO FRENCH PRESIDENT!

After the France team were flown home in economy class, Henry then had to explain the reason behind their humiliating World Cup exit to Nicolas Sarkozy!

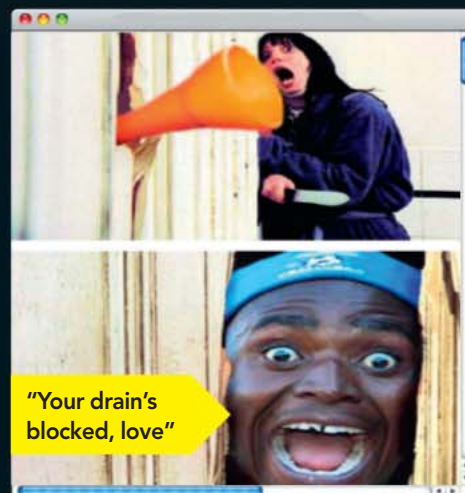

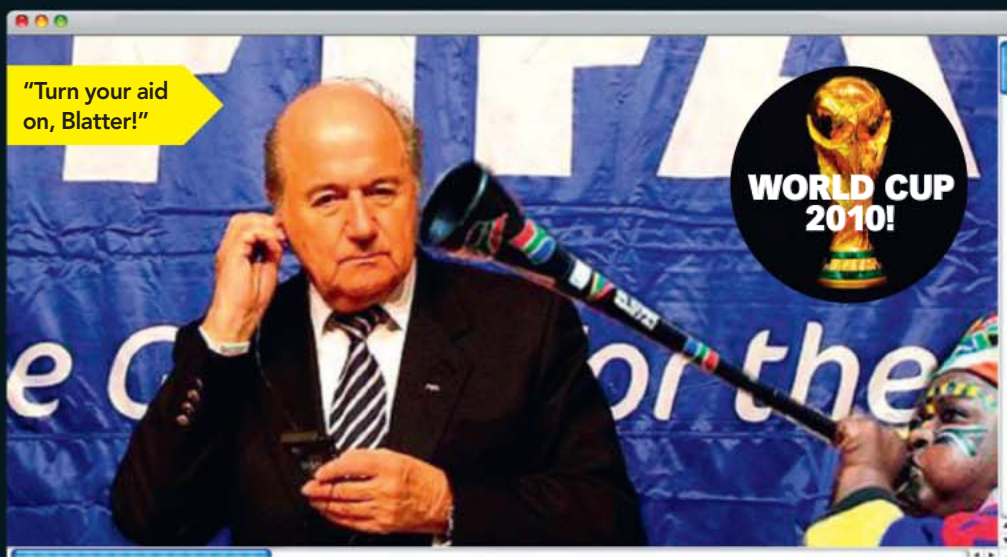

CRAZY FROG!

FRENCH GAFFER IS NOT MR SHAKY HANDS

After his sorry excuse for a team lost 2-1 to South Africa, France manager Raymond Domenech showed shocking arrogance by refusing to shake hands with South Africa's boss.

It's vuvuzela m

Lawro's lame World Cup one-liners!

Bizarre quips from the BBC's main man!

ENGLAND VS ALGERIA

Lawro after a pigeon lands on the crossbar: "Bird's eye view!"
Lawro talking about a fan who's spotted himself on the big screen: "He had bingo wings, that lad."

Lawro after an Algerian player's shorts ride up:

"Aye aye, what's he got on underneath there?"
Guy Mowbray: "A pair of bobby-dazzlers."
Lawro: "Bobby boxers."

ENGLAND VS SLOVENIA

Mowbray on Stuart Pearce's activity on the sidelines: "I've not seen Stuart Pearce so active since this tournament started either."
Lawro: "He's got worms!"

Lawro on Frank Lampard's meaty slide tackle:

Mowbray: "These days, that's termed 'overly aggressive'."
Lawro: "No, it's tackling, Guy."
Mowbray: "Well I'm with you."
Lawro: "I've noticed!"

ENGLAND VS SLOVENIA

Lawro on two England fans in the crowd who are dressed as Crusader knights, complete with swords and chain mail: "They're having a nice night."

Lawro after David James saves another Slovenian shot: "Watching England is like an instant cure for constipation."
Mowbray: "I wondered what that was."

SEXY SINGER!

Rihanna's hot bikini break!

The gorgeous R&B singer's busting out on her Barbados hols!

Taking a break from warbling about umbrellas and rude chaps, R&B star Rihanna found the time to show off her new barnet and truly brilliant bikini in Barbados. We suspect the 22-year-old hoped her new bright-red hairdo

would get all the attention on the Caribbean island but with a boob-enhancing top like that, she could have styled her hair in the shape of a massive luminous yellow vuvuzela and we'd still be struggling not to look down south. Nice try, Ri!

WORDS: RORY BUCKERIDGE PHOTOS: REX

No, someone didn't leave the oven on. This huge forest fire was the result of lanterns released during festival celebrations in Rio de Janeiro, Brazil.

The lanterns contain flaming wicks of cotton soaked in wax, and are blamed for around half of all the forest fires in Rio – like

this one, on the mountainside between Lagoa and Copacabana.

In 2000, one lantern landed in a car dealership and set 44 vehicles ablaze. Apparently it was a Hyundai one, so no harm done!

The Sky Sports lass got some tennis in, with her sly partner spending the day rolling balls along the court. "Fiddlesticks! I've done it again. Could you get that for me? Awesome!"

NEWS FLASH!... NEWS FLASH!... NEWS FLASH!... NEWS FLASH!...

We can only thank AnnaLynne for inexplicably scooping her bikini open to give us a flash. To her, it's a wardrobe malfunction, but we all know the score, don't we, chaps? Wink, wink!

600BHP KILLER!

Ace limited edition Panoz Abruzzi!

There are only 81 of these monsters up for grabs!

- This is the Panoz Abruzzi "Spirit Of Le Mans" a car designed to be driven straight from the road onto the racing track.
- This amazing-looking motor is powered by a 600bhp engine mounted at the front, which transmits 590lb-ft of torque to the rear wheels.
- No official performance figures have been released yet, but 0-60mph should come in at about four seconds and top speed will be around 200mph.
- Just 81 of these cars will be built from now until 2013, corresponding to the number

of Le Mans 24-Hour races between the inception of the event in 1923 and the one in 2013. Get your skates on!

- Delivery of the Abruzzi can only be taken at the Le Mans track in northern France.
- If you buy the Abruzzi, you must undertake two days training on the track to get used to handling such a powerful road car.
- By purchasing the car, you receive free entry to next year's Le Mans race. You'll also be allowed to drive the car around the track pre-race.
- The car's Recyclable Energy Absorbing Matrix System

**HAIRY RAP
STAR!****A QUICK WORD WITH...**

Example

The British rapper on his hair, his trainers and his celeb mates!

Hi Example! When you're out, do people think you're facetious when you say things like "Can I have a table for example", "Can I hire a car for example"? Pretty much. I don't really get recognised much. I put my hair down and try to be anonymous. **You have massive hair. Do you have things living in it?** A small family live there. The mum and dad look after the front and the kids do the back. It needs lots of treatment when I get sweaty. **You're chums with Professor Green. Is he a bit dull, banging on about physics, the Hadron Collider etc?** Yeah, I've heard him rap the whole periodic table, but not as well as Professor Pink and Professor Brown. **Rappers these days are either really tall, like you and Dizzee**

Rascal, or really short like Tinchy Stryder. What's wrong with the rap gene pool? Maybe I should be called Lanky Raver. Then you'd have Tinie Tempah, Tinchy Stryder and Lanky Raver. **That'd help. You used to be a comedian. Tell us a joke.** What do you call a leper in a bath? Stu.

"There's a small family in my hair!"

I did a whole leper-based set but no one knew what a leper was because it's not a popular illness! **What's new single Kickstarts about?** It's about kicking tarts. If I get bored, I get a Mr Kipling tart, take a run-up and kick it.

Right... what's album title track Won't Go Quietly about? It's about women who you want to come around your house because they're really good in bed but when you try to get rid of them in the morning, they won't leave quietly. They're like, "Aw, take me shopping. I want to go to Laura Ashley. Take me to McDonald's." You're just like, "Get out of my house!" **You obviously date a wide variety of women if some want Laura Ashley and some want McDonald's!** Laura Ashley is a sign of a good, posh bird. Posh birds like nuggets, too! **When you use your credit card, do people think it's a dummy one because it says Example on it?** Sometimes they'll be like, "Sorry, this is an example" and I'm like, "No, love, I'm Example!"

Thanks, Example! Give us three examples why you're the best thing around. No one else has written a song about tarts. I've written the first cake-based love song. Plus, I have the best hair in pop. And I've got 147 pairs of trainers. I wear them then give them to fans. I'm very charitable!

Nuts NEXT TOP MODEL!

Nuts!

Introducing the hottest new models – in their first ever Nuts shoot!

Sammy Jo!

She's a 32G goddess from Essex!

INTERVIEW: RICH JENKINS PHOTOS: ANGUS YOUNG

Hi Sammy Jo! What do you hope to achieve by being *Nuts' Next Top Model*?

I just want to be successful. It's been my dream to be in *Nuts* for ages. It's so much fun!

Which *Nuts* babe do you most admire? I love Lucy Pinder, she's so beautiful. She keeps herself to herself and doesn't go out of her way to be famous. She's a real curvy woman, not a beanpole. And her boobs are amazing!

What are your best assets? My long legs and bright blue eyes! **Not your 32G boobs?** Them as well! Some photographers say it's all about the eyes and the boobs. Well, I've got both!

What's most important in a fella – looks or a sense of humour? He has to be a bit good looking for you to be attracted to him. But the more you get to know him, the personality makes you fall for him. A bit of both, really!

How can men make themselves more attractive? Just have a bit of confidence. No girl I know likes to make the first move. So make yourself look confident. It makes a girl feel good about herself.

How would you seduce a man in a club? I'd walk past him a couple of times, then I'd stand next to him at the bar so he notices me.

How can a man please you in the bedroom? By being in control. I like a guy to make the first move

in the bedroom, it's not good for the girl to always have to do it.

Where are we likely to see you again? Wherever you like! If the readers want more Sammy Jo, I'll do another *Nuts* shoot any time!

square foot mansion for his last birthday."

Just then, the fourth bloke comes back from the toilet. One of the men says, "We were just talking about how proud we are of our sons. What does yours do?"

The bloke replies, "He's a stripper at a gay nightclub. He does pretty well, actually. For his last birthday he got a brand new Mercedes, a private jet and a house!"

Comedy by numbers

A group of comedians know each other's jokes so well, they only refer to them by number. At one meeting, a new member arrives to see the comics standing in a circle.

"Seventeen!" says one, and all the other comics crack up laughing.

"Eighty-five!" says another. Again the group fall about laughing.

Wanting to join in, the newcomer says, "25!" but is met with stony silence.

"Why didn't anyone laugh?" he asks.

"Ah, it's not your fault," says a comedian. "It's the way we tell them."

DYLAN MORAN:

"Men are much more romantic than women. Men are the ones who'll say, 'I've found somebody. She's amazing. If I don't get to be with this person, I can't carry on. If I'm not with her I'll end up in a bedsit, I'll be an alcoholic.' And that's how women feel about shoes."

JACK DEE:

"The film industry is like Anne Robinson: always on the lookout for a new face"

JIMMY CARR:

"I like to go into the Body Shop and shout out really loud, 'I've already got one!'"

EDDIE IZZARD:

"I appreciate the audience's applause, but I don't do it for applause. I do it for cash, it's much better"

DARA O'BRIEN:

"I don't understand the appendix. Why would God put it in you when it does nothing but randomly kill you for no reason?"

JEREMY CLARKSON:

"There are many rules for the elderly in the highway code. I have one too: get a bloody move on"

PETER KAY:

Should I let her play the field?

My girlfriend's sex-mad. At first, it was great, but I can't keep up any more and I'm worried she'll cheat. So I'm thinking of letting her stray a bit. Is this weird?

Freddie, Brighton

I have a cunning solution. Why not get involved in a threesome? That way, your woman's happy, while you don't have to do all the hard work! And if you're there, it's not really cheating!

Tell her you want to return the favour because she gives such great blow jobs! Or how about being sneaky and buying her some edible underwear? Then one thing leads to another!

Why does she need outfits?

I've started seeing this lass and she practically has a wardrobe full of sexy fancy-dress outfits. Frankly, I think she may be a bit loose. Am I right to be worried?

EMMA!

Stockings on! Bra off! Yes please!

Hi Emma! What have you been up to lately? I've just got a new car! It's a sexy Mini convertible and I love it. I can go anywhere! We know what you're like – how long do you think it'll be before you crash it? Not long, I reckon! Ha-ha! I've got to drive back to Stoke soon, so I'll have plenty of opportunity for a prang! Is a Mini not a bit small for some back-seat shenanigans? I didn't think about that when I bought it. But there's more space in a Mini than you'd think, so who knows? Are you still single? I am! To be honest, I'm enjoying my own company and having a laugh with my girlfriends. My new drinking pal is Lindsey Strutt. She's my partner in crime now. What's the most embarrassing thing you've done recently?

I was walking my dog the other day and he saw a pigeon and ran after it. I let go of the lead but my

feet went from underneath me and I just slipped and landed on my bum! I was covered in mud and had to walk home looking like I'd come out of a swamp!

Did anybody see you? Yes, everybody saw me. All the cars driving past, people in shops were laughing their head off – nobody thought to help, ha-ha!

Is there anything we don't know about you? I used to do ballet dancing and tap, and I was going to go to dance college but I pulled my hamstring and had to take time out. I'm thinking about doing a master's degree next year or the year after, though!

Which girls should we keep an eye out for? Em Diamond. I think she's really hot! I love her long blonde hair, and she has such a pretty face and a good body. She reminds me of Leah. I wish I was blonde, I'm thinking of changing my hair colour, but I don't think it would suit me! ➔

What are the "dos and don'ts" of dating Emma Frain? We'd have to do something fun in the early stages. When you're in a relaxed environment, your true personality comes out. I'd love to go ice skating on a first date. It wouldn't be embarrassing if we fell over, because I think if you can laugh at each other, you feel relaxed together.

What did you do last night? I'd been in Birmingham, but when I got home, I bent down to pick up my bag and realised I'd left it at the service station! I had to drive the whole way back but forgot what service station it was, so had to check them all. It's the second time I've left my bag somewhere in the last week!

If you were going on a night out, which other *Nuts* models would be there? Leah Francis because she's crazy and unpredictable! Then Rosie Jones because she's stunning. Maybe Em can come too, so we can get her in with the all the other *Nuts* models!

Where would you rather go – Alton Towers, the zoo or a museum? Alton Towers! It's not far from where I live. I'm a bit scared of rides but once I go on one I feel like I've achieved something. I'm really hyperactive and excited normally, but in the queue beforehand, I'm so scared I scream like mad! ➡

Emma got strangely turned on watching Soccer Saturday

Have you ever done anything rude at a theme park? No, because most of the time I'm just getting off of a ride and feeling sick, so I'm not in the mood!

Have you ever broken the law? I've maybe gone over the speed limit a little, but I'm a good girl, I don't break the law!

Do you play video games? I try, but I get really bored of them. I played on *Fight Night Round 4*, but I kept getting beat! I try so hard though that I get really bad thumb ache and have to stop – I'm not exactly hardcore!

What sort of music do you like? I really like R'n'B and hip-hop, Motown and all the classic oldies. I wouldn't say I like going to gigs that much but I do like big concerts. I went to see Beyoncé recently and she was amazing!

What's your favourite song to dance to in a club? Beyoncé's *Single Ladies*. Whenever I hear it, I run to the dancefloor with my friends and we shake our booties!

What's your favourite song to do the rude deed to? That would have to be *Let's Get It On* by Marvin Gaye! I've never actually done it to that song but I'd love to, just to see whether it enhances the mood at all!

Thanks, Emma! Summer's finally here – how are you celebrating? By driving around in my car with the roof down, wearing as little as possible! It's the only way! ■

THE NUTS INTERVIEW

CAMP COMIC!

ALAN

The toothy comic on Becks, Pamela Anderson and his camp new telly show!

Hi Alan! Your show, *Chatty Man*, is moving to Sunday evenings. Does that mean you'll have to have your Sunday roast dinner at lunchtime now? I'll probably just pop it in the microwave and have it when I get back.

What, a microwave roast dinner for one? I get the parsnips, Brussels sprouts and roast potatoes and bake them individually. It's less sad! Piercing the film and waiting for the ping is the worst sound you can hear when you're on your own on a Sunday. **We hear you're trying to get David Beckham on the show.** Ali G once asked him if Posh Spice took it up the... well, you can work it out. **You'd never do that, would you?** I would never ask David Beckham that sort of question! I'd show him! Ha-ha! If he turned up on *Chatty Man*, I'd just do whatever he wanted. I'd be his b*tch! I'd just be so pleased he was on my show.

Did you do a double take when that chap impersonated you on *Britain's Got Talent*? I was in the garden because it was sunny. Suddenly, I got a hundred tweets going, "Put *Britain's Got Talent* on, there's a man who's just like you!" I rewound the Sky+ and I was very flattered. He did a generic gay stereotype and I went, "Oh my God, he's just like me!" **If you were on *Britain's Got Talent*, what would your talent be?** I've got a red setter called Bev so I'd probably go on with her. But she's so unruly, I'd probably just do a dance with a top hat and cane while she went though a bin! **Justin Lee Collins says he doesn't watch your show**

because he hates seeing you on telly without him... When I read the headline, "I can't stand to watch Alan Carr," I was like, "Ooh, you b*stard!" But I continued reading down and I was like, "Actually, that's really sweet. Aah." **Did Pamela Anderson really think you and Justin Lee Collins were an item when she presented *The Friday Night Project*?** Yes! She said, "I'm going to get Alan and Justin a present for their apartment." I could have had custody at the weekend. Justin could take it to Bristol during the week. I don't know why she thought Justin was gay. He was salivating over her breasts the entire time!

BEST MATES!

CARR

When you and JLC share a bed, does his beard get in your teeth? You know he wears a hairnet? He wears a beard-net, too. Although he has woken up with my c*ck in his mouth. Ha-ha!
Erm, OK. If you and Justin were a couple, who'd be the man and who'd be the lady? I'd be the man and he'd be the lady. There's not many men who can carry off a backless number but he's one of them.

"If JLC and me married, I'd be the man, he'd be the lady!"

Before you were famous, you were a toilet attendant. Any memorable floaters? Hold your horses! The man said, "Do you want to be facilities manager?" I said, "Yes." I'd never been a manager. Then a woman complained about the state of the toilets. I thought, "It's not my department." She went, "Who's the facilities manager, then?" I went, "f**k, that's me!" There was this phantom sh*tter, too! Someone kept sh*tting in the corridors and I had to clean it up.
Sounds like a fulfilling job. Are you sure it wasn't actually you leaving a "dirty protest"? To throw people off the scent? Ha-ha! Oh my God, you are good. I admit it, it was me!

How did you land the official job of the Tooth Fairy? I started as a fairy and worked my way up to teeth. I got through to boot camp and Dannii Minogue was my mentor. I won *Tooth Fairy Idol* and I haven't looked back.
When you were growing up with your brother Jimmy Carr, who beat up whom? He's a WWE fan so he'd always do the clothes line, the body slam and the nipple twist. I had my teeth to fight back. During one body slam, he lost an eye. His right eye is made of glass.
Do you ever get asked to advertise weird stuff? A pizza company asked me to change my name to Alan Carbonara for a month! They said they'd

fill in all the paperwork – all I'd have to do would be to sign.
Jimmy White got paid £1m to change his name to Jimmy Brown! A million quid? Wait there! I've got to call Domino's pizza back now!
Thanks, Alan! Finally, when did someone last shout "Should have gone to Specsavers" at you? No one has ever shouted that. They usually shout, "Bender" at me! It's not nearly as helpful and a little bit more offensive! ■

AFGHAN AMBUSH

AMBUSHED IN

Sent out to save a beleaguered force of paratroopers, Mick Flynn and his

As the first rocket-propelled grenade [RPG] hit Squadron Corporal-Major Mick Flynn's vehicle, he realised he and his team had driven into a deadly Taliban ambush.

"All hell broke loose," Mick tells *Nuts*. "The impact from the first RPG caused me to black out and when I came to, the first thing I did was check my legs. Dust and debris were everywhere, it was pitch black and the automatic fire sounded like raindrops hitting the vehicle. I was stunned for a moment, then I smacked the radio and shouted into it, 'Contact, ambush, wait out!'"

With their Scimitar armoured vehicle stalling under a hail of rockets and

AK-47 fire, Mick, his driver and his gunner were staring death in the face...

DEADLY MISSION

August 2006 in Afghanistan's deadly Helmand Province, and a platoon of pathfinders (paratroopers who operate deep in enemy territory) had found themselves under siege from Taliban fighters. Running short on food, water, and under constant fire, it was Britain's most-decorated soldier Mick Flynn and his team who were tasked with reinforcing the pathfinders to stop them being overrun.

Mick and his unit began to advance in a small convoy of Scimitar and Spartan armoured vehicles on Musa Qa'lah, where the 120-strong unit was stranded, but a small village stood in their way.

"We could have driven well out of our way to avoid the village," recalls Mick, "but our orders were to be as quick as possible. We approached the village cautiously. It was quiet. Too quiet. As we got nearer,

I decided three vehicles should go in first to check it out."

The vehicles began picking their way down a narrow lane with walls either side.

"It seemed like the safest route," Mick explains, "but we couldn't quite see to the end."

AMBUSH

They'd barely crossed the first ditch when the Taliban forces suddenly sprang out of nowhere, pouring down RPG fire, rocking Mick's Scimitar.

"We pushed on, but just as we got past the kink in the road and were down the home straight, a 12mm DShK machine gun started firing from in front of us, ripping chunks off our truck."

With their vehicles torn apart by machine gun fire and the Scimitar's firing system partially disabled, Mick came up with a plan.

"The Scimitar's machine gun was stuck in its bracket and couldn't be moved, so I told Leachy, the driver, to move the entire vehicle until I had the machine gun nest

in the crosshairs. We smashed bullets into the two machine gunners, broke through to the other side of the ambush and gave ourselves a chance."

UNDER ATTACK

Suddenly, the RPG fire started again. "A rocket came flying right over our vehicle, too close to call. I can still hear it to this day," says Mick. "AK-47 fire was still happening at this stage and when we came to a T-junction, we couldn't move left or right in case we ran into mines. I took the decision to head back into the ambush."

Ordering their vehicle to about face, Mick and his team prepared for their second run at the ambush. Facing down AK-47 bullets, and without a working machine gun, Mick and his gunner, Minty, leaned out of their hatches to lay down fire with their rifles.

"The Spartan that had been directly behind us was now in front of us, blocking the road," Mick recalls, "and it was covered in flames. As we got closer, another RPG struck our

right-hand side and we knew we had to act. We had to speed up and drive into a ditch by the Spartan, hoping to come up safely on the other side.

"Unfortunately, our vehicle got stuck. We were now down in a ditch next to a burning vehicle, and the enemy started engaging us with AK-47 fire. I thought, 'We're going to die if we stay,' so I decided we had to fight our way out on foot."

Taking turns to lay down fire while the others jumped out of the vehicle, Mick, Minty and driver Leachy made their way along the ditch as bullets flew by. However, Mick still had to account for the rest of the crew inside the Spartan.

DARING RESCUE

As the dust and bullets flew around him, Mick surveyed what was left of the Spartan crew. Body parts were lying all around, but there was one survivor – Lt Martin Compton.

"He had no eyelids, no hair, and his body was completely burnt to a frazzle except his boots and pants," Mick recalls.

"I thought he was dead, until he started screaming."

While Minty and Leachy laid down covering fire, Mick and his troop leader decided what to do with Lt Compton.

"We put him on the back of a soldier and provided covering fire as we moved towards friendly vehicles. We managed to extract him to safety and called a helicopter in to get him out of there."

FINISHING THE JOB

"Three days later, the mission was completed. As well as the men of 3 Para, a lot of assets were used to go in and rescue the pathfinders. When we went back, there were more than 40 Taliban in that area. I received the Military Cross for that mission. Being the most-decorated soldier in the Army is something I'm proud of but someone will break that record and they'll probably be more deserving." ■

ILLUMINATING INK!

Nuts EXCLUSIVE!

It's *BB's* Rachael!

This year's sexiest housemate, in her first sexy shoot!

We like a gorgeous woman. And if that gorgeous woman happens to look exactly like another gorgeous woman, well, that's just brilliant! Bizarrely evicted first from *Big Brother 11*, Nottingham beauty Rachael White, 23, wasted no time in showing the rest of the house what they'll be missing for the next eight weeks... ➔

BB'S RACHAEL

Hi Rachael! How has it been doing your first *Nuts* shoot?

Really good fun! I've never done anything like this, so it's a new experience. I'm so excited, and I couldn't have asked for a better mag! I kept talking about *Nuts* in the house, so I'm so glad.

What did you say about us? On the night John James had a real go at me, I was talking about how I'd like to do a shoot for *Nuts* and I don't think he really liked it.

What an idiot! I think he just had a problem with me. Maybe he's got a problem with good-looking women, I don't know. But he certainly had one with me!

You said John James has put you off men for life – is that true?

I didn't! That was in one of the papers but I never said it. I just haven't found the right man yet!

Were you disappointed to be kicked out first? Of course! I was kind of expecting it and prepared myself for the worst. All the opportunities that have come my way have been absolutely great, though, so I can't complain at all. **If you'd been in the house for a bit longer, what would you have gotten up to?** If I was still in the house this week, I'd have given John James a piece of my mind because he was horrible. And there was somebody in the house I quite liked, so I think I'd have gotten closer to that person.

Who was that? Nathan. He's a lad's lad and not like any guy I've been with before, but I did fancy him and I'd have liked to get to know him a bit better.

Do you reckon he might ask you on a date when he gets out? If he wants to go on a date with me! I'd like to see him, but I reckon he'll stay in there for a long time.

What's the best thing about looking like Beyoncé? The best thing is the attention. People love to come up to me and talk to me about looking like Beyoncé, and I can't complain. She's a great person to look like! The weird thing is when people think I've had surgery to look like her, but it's not true. I haven't had a boob job or a nose job or anything!

Do you ever get properly mistaken for her? When I went to see her in concert, I walked in to see her like everybody else and I nearly got mobbed! Kids ➔

Nuts Big Brother's Rachael

BB'S RACHAEL

were running after me and everything! If I walked around with two big men each side of me all day, it'd happen more often!

Have you ever signed an autograph as Beyoncé? I've been asked but I always say no. I won't sign an autograph pretending to be someone else! I'll pose for photos so people can pretend to have met Beyoncé, but I'd never sign anything. That's horrible!

You said in the house you'd got really close to Shabby and you wouldn't be surprised if you ended up with a girl. True? Yeah, I just think people shouldn't have to be straight or gay, you just fall in love with whoever. Me and Shabby got on really well and had a cheeky flirt. In that house, it's so boring, so if someone pays me attention, male or female, I'm going to lap it up. Shabby's wicked, she's so cool and crazy.

If you'd stayed in a bit longer, would anything have happened? I reckon we might have had a drunken snog or something. But nothing more serious than that.

If we were going to take you out on a date, what would you like us to do? Most girls like to be wined and dined, but I like to be surprised. Don't get me wrong, I don't mean one of those things where I'd get kidnapped! I'd just like to do something a little bit daring. Think outside the box and keep me on my toes.

If you'd stayed in the house until the end, would you have lasted without sexy time? I'd have struggled! It's physical contact with someone, not just sex.

I know for sure that I'd have had a snuggle up with Nathan, just to feel close to someone. But I'd definitely have come out of the house crazy for it after ten weeks. I'm bad enough now!

What's next for you, Rachael? I'm just going to enjoy this time because nobody knows what the future holds!

Thanks, Rachael! Finally, who's going to win the whole thing? I think Steve or Josie will win, but I'm backing Nathan all the way.
Do you think he'd split the cash with you? No! Ha-ha! But I want to meet him when he comes out! ■

World Cup's campest walls!

They're meant to stop balls, not enjoy them!

There are plenty of hardmen playing at this year's World Cup, including some men who we'd run a mile from if they even looked at us slightly funny. But one thing we've

noticed is that as soon as these so-called tough guys of football have to face a free-kick, they turn into great big wet jessies of the highest order! It's like watching an episode of *Queer Eye For The*

Straight Guy but with a few vuvuzelas and a Jabulani thrown in for good measure.

So enjoy our selection of the campest defensive walls we've seen in South Africa – coo-ee!

It's no shock that a country whose army haven't won a war since 1815 look barely brave enough to face a free-kick!

He's footy's funniest pundit – and he's only in *Nuts*!

Another top week in South Africa!

It's been another crazy seven days for me in South Africa and amid all the action, I've been hanging out with the thousands of England fans – and some penguins (see below)!

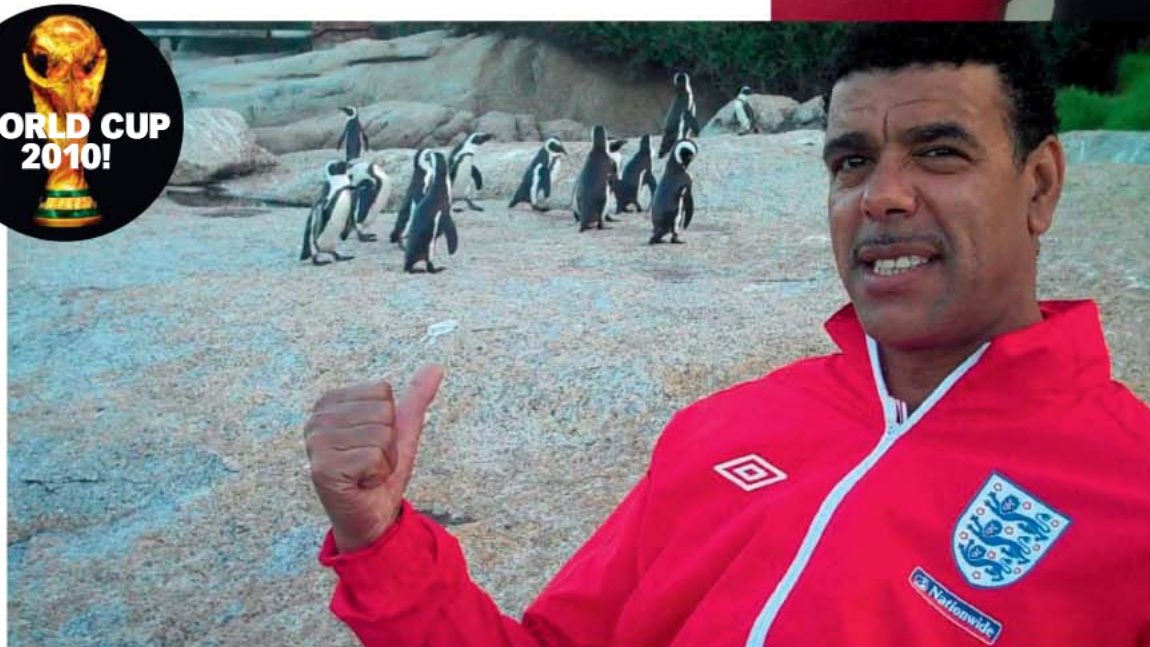

The game against Algeria was an obvious low point. I don't think I've ever seen England play that badly. A total disaster!

The next day, I took a trip to a place called Cape Point and who should I see, but Fabio Capello himself doing a bit of sightseeing! I couldn't believe that he wasn't training with the players and trying to put right the mistakes from the game. Maybe he couldn't face it!

Gradually, me and the other England fans began to believe

again, and when it came to the match against Slovenia it was fantastic to witness how much better the lads were playing. The confidence was back, the tactics were better and the fans were truly fantastic. For the first time in the tournament, the dreaded vuvuzelas were completely drowned out by the magnificent singing of the travelling England faithful, and it was a joy to behold.

There were a few sore heads the next day, but we all felt a lot better about things. South Africa really is an incredible place and I'm learning more about it each day. The tournament is picking up after a dodgy start, and it's only massive games from here on in! Bring it on!

RUMOUR HAS IT

I hear Sir Alex Ferguson is weighing up a £22m move for Brazil star Luis Fabiano. It could be a great bit of business.

DIEGO FORLAN

My man of the tournament so far, Forlan has shown he's one of the best strikers in the world. **VERDICT: Hero**

KADER KEITA

A shocking bit of play-acting from the Ivory Coast man got Kaka sent off. Fifa should have overturned it. **VERDICT: Villain**

DAVID VILLA

World's best striker? Fernando Torres? In Spain they'll tell you it's David Villa – and with good reason. **Class. VERDICT: Hero**

GONZALO HIGUAIN

DAVID JAMES

Jamo came into the team, took his goalkeeping back to basics and did a very composed job. Superb keeper. **VERDICT: Hero**

WAYNE ROONEY

He may have been frustrated but criticising the fans wasn't on, even if he was man enough to apologise. **VERDICT: Villain**

THE FRENCH TEAM

Manager Raymond Domenech must take some blame, but the French really let their country down. Disgrace! **VERDICT: Villain**

TO OUR SECRETARY!

IT'S LOU!

CONFESSION OF THE WEEK!

'We did it at the supermarket'

My bloke and I were walking around the supermarket not long before closing time. Bored of looking at what we were going to buy for dinner, we abandoned the meat aisle and wandered over to the drinks aisle. There was a door open leading into a store room, so he pushed me through it and lifted my skirt. I knew we'd be caught on camera but we went for it anyway. I swung around, pushing my bum into his crotch and he quickly entered me from behind. The sex only lasted about 30 seconds, but it was thrilling!

Zoe, London

'The doorman kissed me'

One Saturday night, my friends and I went to a club but by the end of the evening, we'd all got split up. A lad kept trying it on with me but he wasn't my type at all, so I told him to go away. He wouldn't

take no for an answer, though, so I decided to leave. He followed me out of the club and it was at this point that one of the doormen noticed my discomfort and came to my rescue. He put his arm around me, kissed me and made out that he was my boyfriend. We walked down the road together

and my unwanted admirer soon lost interest. I wanted to thank the doorman for his help, so I pulled him into a nearby shop doorway, pulled his impressive shaft out of his trousers and gave him one of my special blow jobs!

Sarah, Derby

'They heard us at it in the tent'

Last summer, my boyfriend and I decided to go on a camping holiday. We'd never been before, so going shopping for a tent and accessories was a must. As we got to this huge superstore, I was daydreaming about us getting all hot and sweaty together in the tent, and I soon started to feel horny. So when my fella climbed into a tent to try it out, I didn't hesitate to join him. Once inside, I quickly zipped the tent shut and gave him a cheeky grin. He unbuttoned his jeans and I started to massage his package, feeling it grow under my fingers. We shuffled ourselves into the spoons position and I wriggled out of my shorts so that he could enter me. It felt amazing and I had to bite the sleeping bag that was inside so I didn't scream. I came to an earth-shattering climax within a few minutes but just as he was about to do the same, we heard voices outside the tent and had to stop what we were doing. When we took our stuff to the checkout, we heard a few sniggers. The staff obviously knew what we'd been getting up to in there!

Jazz, via email

'She pushed her hips against me'

I recently started work at a new office and at first, I found it quite difficult to settle in. I got talking to one of the girls there and she suggested we go swimming together one evening after work. A few days later, we went down to the local baths. I got changed in a cubicle and as I came out, I saw my colleague. She looked amazing in her tight pink bikini and I couldn't take my eyes off her boobs. I found it difficult to concentrate when we got in the pool and my imagination was running wild. We brushed against each other a few times in the pool and I could feel the electricity between us. When she wrapped her legs around me under the water and pushed her hips against mine, I knew she fancied me, too. Giving each other a knowing look, we jumped out of the pool and headed for the nearest cubicle. As soon as we got in there, she pulled down my bikini bottoms and slid her fingers inside me – it was so intense! I came hard and then had a second, smaller shiver run through my body. It was nothing like I'd experienced before and I enjoy my job a lot more now!

Gazza's Tears

ITV1, 7pm

DOCU

As England's World Cup semi-final against West Germany at Italia '90 came to a head, Paul Gascoigne was yellow-carded, excluding him from the final should England have made it through. What happened next has become a part of modern football folklore – Gazza's tears on the pitch, Lineker mouthing the words "have a word with him" to the bench, and the team's exit. This tells the tale of the night that made, and ultimately destroyed, a footballing legend. ★★★★★

We don't really care much about this, especially in World Cup year, but we'll be cocking an interested eye to the men's final this afternoon – won last year by Roger Federer (above) – in case a certain Mr A Murray is contesting it. ★★★

TODAY'S MUST-SEES

COOL TOON!

"Are you OK? You look badly drawn"

"Careful, love, it's a clip-on"

Chuck Virgin1, 9pm
DRAMA The spy has to balance taking on his first intelligence asset with training a new member of the Nerd Herd. We'd feel a bit sorry for him, but the new recruit's the ludicrously hot Kristin Kreuk! Beat that, Mr Bond! ★★★★★

The extreme hairdressing final went badly wrong

Blood: The Last Vampire
Sky Movies Premiere/HD, 11.55pm
FILM Saya looks like a regular schoolgirl but is in fact 400 years old, half vampire and likes killing actual blood-suckers! A welcome antidote to those absolutely rubbish Twilight drip-fests. ★★★★★

The Life And Times Of Tim

Virgin1, 10pm

COMEDY Newcomers to this may find the experience a little like watching the 2010 World Cup. You start off feeling slightly underwhelmed and then – wham! – it suddenly becomes ace out of nowhere. A new series of the cartoon comedy following a New Yorker who continually gets himself into awkward situations begins with his post break-up beard proving unpopular at the office. Stick with it! ★★★★★

"Next time, I'll just get the Eurostar"

Mystery Investigator: Olly Steeds

Discovery, 10pm

DOCU The explorer drops in on former French Guianan penal colony Devil's Island – the most notorious nick of all time. Scary! ★★★★★

TODAY'S MUST-SEES

"I'll ask you again.
What did you
think of Signs?"

ACTION THRILLER!

Edge Of Darkness

Box Office/HD, From 6am

FILM When detective Thomas Craven's (Mel Gibson, left) daughter falls ill, he attempts to take her to hospital, but she's blasted to death by a shotgun-wielding assailant on his doorstep. The cop assumes the bullet was meant for him, but as he examines his daughter's work for a shadowy nuclear facility, threatening forces come to the fore. Decent thriller given added weight by an ace turn from Ray Winstone. ★★ ★★

"He's very handy for
picking up golf balls!"

Man vs Fish

Discovery, 9pm

DOCU It's proving pleasurable to sit back and watch a man wrestle with impossible-to-land fish so we don't have to. This week, Matt Watson (above) hunts the elusive dogtooth tuna, well known for being a tricky little blighter. ★★ ★★

"Who you
calling muppet?"

Mongrels

BBC3, 10.30pm

COMEDY Odd, funny, and (we suspect) possibly inspired by a certain meerkat ad, this anything-goes, near-the-knuckle comedy follows the secret lives of a group of rude, potty-mouthed animal puppets. OK then! ★★ ★★

"I knew I shouldn't have let
you organise my stag do!"

Spartacus: Blood & Sand

Bravo, 10pm

DRAMA Struggling to cope with his wife's death, Spartacus decides to take on six warriors in the arena at the same time. As opposed to getting raging drunk, presumably! ★★ ★★

TODAY'S MUST-SEES

"Chief! Chief! I think I've found a copy of Razzle"

Cook County Jail

Discovery Channel, 10pm

DOCU What with all the must-join gangs, the brutal wardens, the rapes and the beatings, US jails don't look like a barrel of laughs. In this series, we head for Cook County, Illinois, where the struggle for the forces of law to maintain order is constant, where cells teem with vermin, and there's more than one guard or volunteer employee for every one of the 10,000 inmates. Yep, not much fun to be had there. ★★ ★★

WORLD CUP 2010!

Stoke vs Wolves was never a season highlight

World Cup Live

BBC1 or ITV1, 7pm

SPORT It's squeaky-bum time with this second semi-final, live from Durban. England will have needed to have seen off Germany and (probably) Argentina to get this far, but if they have, good luck to them – they'll have earned it! ★★ ★★ ★★

The Kurt Cobain impersonator was going a bit too far

Sons Of Anarchy

Bravo, 10pm

DRAMA The second series of one of the grittiest shows on the box continues with the renegade motorcycle club united by the news of Gemma's rape and out to inflict damage on the white supremacists who attacked her. ★★ ★★

"Next year, we'll be in the Grattan catalogue"

White Collar

Bravo, 9pm

DRAMA Jailbird con artist-turned-FBI collaborator Neal Caffrey (Matt Bomer, above left) is challenged by an old adversary to forge a bottle of wine once owned by US statesman Benjamin Franklin. So he does. The big ponce. ★★ ★★

TODAY'S MUST-SEES

"Come on - limbo!"

BACK IN ACTION!

England vs Bangladesh

Sky Sports 1/HD, 2pm

SPORT Hot on the heels of their one-day series against the Aussies, England are in limited-overs action again, this time taking on perennial minnows Bangladesh at Trent Bridge in the first of three 50-over matches. Andrew Strauss' men whitewashed Bangladesh in their last one-day series 3-0, and comfortably saw them off in their recent Test series, so they'll be hoping for more of the same here. ★★★★★

"Guys, I said there's a prawn on TV!"

The Big Bang Theory

E4, 9pm

COMEDY

Leonard and Penny (hottie Kaley Cuoco) have broken up, so Sheldon tries to hide his friendship with her from him. Blimey, if being a nerd makes you this desirable to women, we're off to learn how to build a computer! ★★★★★

"Must get the zoom on my camera fixed"

Lie To Me

Sky1/HD 10pm

DRAMA

When a cop is shot, Cal (Tim Roth, above) tries to interpret the movements of the officer's eyes to find the culprit. We expect him to glean the message, "Oi! I'm in agony - why are you staring at my eyes?" But you never know... ★★★★★

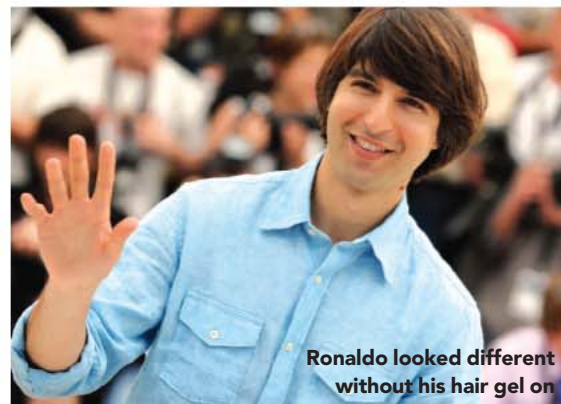

"Will you marry me now?"

Venom Hunter

Discovery, 9pm

DOCU

Venom enthusiast (if such a thing can actually exist) Donald Schultz (above) heads out into the world to say a cheerful "Hello!" to all manner of dangerous beasties, this time milking Sri Lanka's snakes of their venom. Good luck! ★★★★★

Ronaldo looked different without his hair gel on

Important Things With Demitri Martin

E4, 11.25pm

COMEDY

Frequently hilarious, pad-obsessed stand-up and sketches from the US funnyman, this time on the theme of ability. ★★★★★
